ROCKY GAP, VIRGINIA

SENIOR CLASS OFFICERS:

President	Vicki Wyatt
Vice President	
Secretary/Treasurer	Teresa Steele
Reporter	Jackie Lester

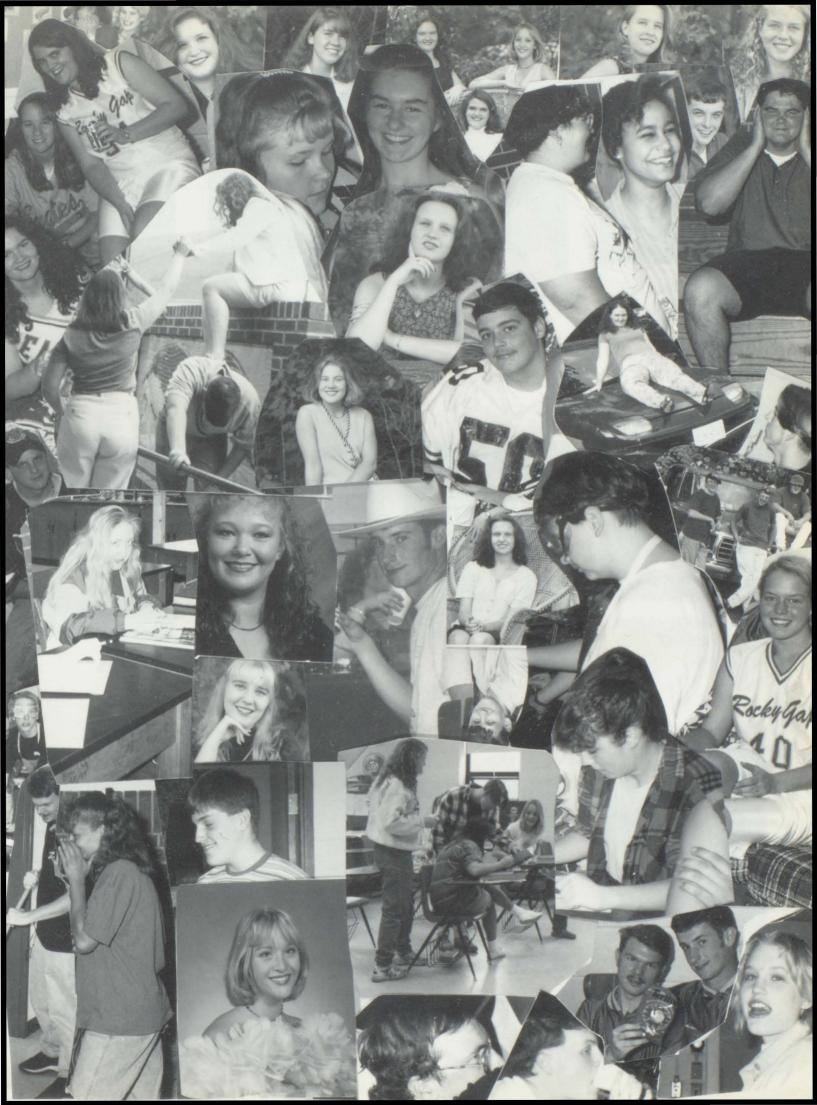

SENIORS

Once we began as tots in an unexplored world of learning with new people and unfamiliar things, we each came in fear; us individually, we gathered and learned. As Seniors, we will not leave in fear, like we came, but in exhilaration, as one. As we venture into a strange new world, we remember our union with one another ... we unite in one another never to forget our memories or our love.

Christie Hull Crystal Woody Frank Farley Sherry Blair Rebecca Bell

Beth Hull James Sheets Liz Haynes Josh Havens Marshall Clemons Roger Clemons Rebecca Bell — Life is like a ladder; every step we take is either up or down.

Steven Black — The finer treasures in life are found by following your heart, rather than by following a map.

Sherry Blair — Entreat me not to leave you or to turn back from following after you; for wherever you go, I will go; and wherever you lodge, I will lodge; your people shall be my people, and your God, my God.

Ruth 1:16

Tonya Bradshaw — A wish is a desire without any attempt to attain it's end.

Nick Bruffey — Love can be tragic; but with Don-Juan, it's always extraordinary.

Sarah Burge — Do not go where the path may lead. Go instead where there is no path, and leave a trail.

Ralph Waldo Emerson

Amanda Clark — Luck is taking a chance when you have no choice. Destiny is making a choice when given the chance.

Marshall Clemons — Be sure your brain is in gear before engaging your mouth.

Roger Clemons — Everyone is ignorant, only on different subjects. Stupid is as stupid does.

Chris DeHart — Remember, the light at the end of the tunnel could be a train.

Frank Farley — You can never tell about a woman; and if you can, you shouldn't.

Megan Freeborn — How often we are listening to yesterday, when today stands ready to speak.

Joan Walsh Anglund

Beverly Hall — When you reach for the stars, you may not get one, but you won't come up with a handful of mud either.

Lee Hankins — Life is like a stampede of cattle; if you just stand there in the way, they will run you over and beat you half to death. So keep your head up and always look ahead.

Elizabeth Haynes — Be not angry that you cannot make others as you wish them to be since you cannot make yourself as you wish to be.

Beth Hull — I smile because I have no idea what's going on.

Christie Hull - Live life to it's fullest.

J.R. Hutzel — Carpe Diem

Amy Kitts — God never makes us conscious of our weaknesses except to give us of this strength.

Jackie Lester — These three things remain: Faith, Hope, and Love. The greatest of these is love. For It endures all things.

Betina Looney — "If you love something, Set it free; If it returns, it is yours; If it doesn't, it never was."

Brian Payne — Life envolves risk; you can't steal second base with your foot on first.

Tabatha Roesch — The only thing a reputation is, is what people think they can see. What they don't realize is, the beauty inside is what really matters.

Michelle Sarver — It doesn't matter how small you are, as long as you have talent.

Jeannine Starks — Life is like a dog-sled team. Unless you're the lead dog, the scenery never changes.

Teresa Steele - In a blind mans world, a one eyed man is king.

Crystal Woody — Believe that life can change; that you're not stuck in vain.

Bethany Williams — If any of you lack wisdom let him ask of God, that giveth to all, men liberally, and uplraideth not; and it shall be given him.

James 1:5

Vicki Wyatt — To a childs heart, everything is fun.
